

South London & South East Hub
UK Mental Health Research Network

CLINICAL STUDIES OFFICER - THANDIWE MTENDERA

MY ROLE-

To support research officers in recruitment of eligible patients for research projects. This includes providing information and support to patients and helping with the assessments, follow ups and data collection and input according to appropriate protocols. The role also involves promoting the projects and giving feedback when required by liaising with the multi disciplinary team members within the appropriate services. Attending team and ward meetings to help keep up the projects' profiles, as well as to identify appropriate patients for the projects.

QUALIFICATIONS-

BA General
BA (Hons) Management and Tourism
Registered Mental Health Nurse Certificate
ENB 998 Teaching and Assessing in Clinical Practice

FURTHER TRAINING

Good Clinical Practice and the EU Directive on Clinical Trials
Valid Informed Consent
Introduction to Clinical Research
